Women's Glee Club

The IWGC is a new community singing group. No audition or solo singing is required.

Our purpose is not education, worship, entertainment, socializing, or showing off - we come together simply to blend our voices and have fun in the process.

Supported by dues, we meet about twice a month, perform at least twice a year, and have a music director.

Our songs, chosen in the spirit of reviving the cross-cultural tradition of community singing, are from a variety of genres and eras.

We invite you to join us for an informational meeting (and singing!) on Monday, November 9 at 7 PM at The Eclectic Music Room in Inman Park (24 Waddell St NE, Atlanta, GA 30307).
